

Dear Parents/Caregivers,

There seems to be some confusion about where children should be waiting for their parents after school.

The school expectation is that once children have been dismissed from their classrooms they go out to the bus bay to meet their parents. If a parent has arrived at the classroom to pick up their children then they may choose to allow their child/children to play on the playground SUPERVISED BY THEM.

If a parent is coming later because of traffic congestion then they need to meet their child/children on the deck outside Room 3. This is not a time for children to play unsupervised on the playground. We often see parents spending a lot of time looking for their children.

The safety of our children is paramount, so we ask that you work with us to make our school a safe place after school.
