

AGRICULTURAL DAY 2024 - ROTOKAURI SCHOOL

The date for our Agricultural Day has been confirmed as Wednesday, 16th October 2024. There is no postponement date so the event will go ahead rain, hail or shine. Group Day will be held on Monday, 21st October at Gordonton School. The Waikato A & P Show Day is Friday, 1st November.

We would like to encourage as many children as possible to participate in our Agricultural Day, so please start to think seriously about having a lamb, goat or calf.

Please ring the school office between 8.30 am - 2.30 pm if you have trouble getting an animal as we have contact names of people who are happy to help out.

We also have booklets we can photocopy with information on rearing, leading and looking after your animals. Please ask for these. Look up the following website for information - www.waikatoaandp.co.nz
